

Due: At the end of the month depending on the month... If there are holidays, I will try to submit before we break!

DEAR PARENTS,

Spending just 20 minutes a day reading with your child- in any language- can open so many doors to a better future. Making reading a part of your daily routine encourages children to stay in school, and helps them do better on standardized test, succeed in the classroom, and follow their dream. One of my goals this year is to nurture a lifelong love of books in all my students, just like my teachers and family did for me. I love looking at these flyers and circling everything I want. With Scholastic Book Clubs it is so easy to find the best high-quality children's books at the lowest prices. Some for just \$1!

It's so easy to order:

1. Look through the flyer with your child and select your titles.
2. Fill out the order form and have your child return it to me with a check made out to Scholastic Book Clubs. You can also submit your order online and pay with your credit/debit card.

Visit www.scholastic.com/bookclubs and enter our Class Code to get started.

CLASS CODE:

MCZ74

3. The books will be delivered to our classroom in approximately two weeks from the due date. Plus, each time you order online, the class gets a \$3.00 coupon. You also help us earn FREE BOOKS for our classroom!

Happy reading!
Sincerely,

Ms. Revelli
